Re: Buzz Wilson Scholarship Applications

To Whom It May Concern:

The Arkansas Spa Pacers Running Club of Hot Springs is accepting applications for the Buzz Wilson Scholarship. Scholarships are awarded each year to high school seniors planning to attend college in the fall, involved in the sport of running and/or walking for fitness, and exemplify the principles identified in the Spa Pacer's mission statement.

Applications should be completed and submitted to the Arkansas Spa Pacers Running Club no later than **March 1, 2020**. Additional applications can be found on the Spa Pacers website at www.arspapiers.com.

The Arkansas Spa Pacers is a Hot Springs based running club that has been in existence since 1983. The scholarship is given in memory of Mr. Wilson, an active member of the Spa Pacers for many years who provided encouragement to all runners and organized many running events in Hot Springs.
